

Treatment Log Separation Anxiety Sample Program

Owner's Name:

Owner's Email Address:

Dog's Name:

Dog's Breed:

Date Treatment Started (Day 1):

Directions: Please record the date and time of each treatment with the device. Treatments should be given twice a day, 8- 10 hours apart. One treatment should be given in the morning and the second should be given in the afternoon or evening. Treatments should be given starting on Day 1 (the first day of treatment) and continuing for at least a month. Please also record any special notes for each day that treatments are given.

Date	Treatments		Notes – if any (e.g. dog's reaction to treatment; issues, etc.)
Example 1-10-18	Time	Person's Name
